2 SEP 1959

CONFIDENTIAL

MEMORANDUM FOR: Chief, Geographic Research

ATTENTION: Acting Chief, Geography Division

SUBJECT: [redacted] 25X1C

1. SAC, on 1 September, requested on an urgent basis, a study of roughly a 50 mile belt inland from [redacted] 25X1C 25X1C [redacted] This is of the highest priority because it is in support of immediate, critical, and continuing peacetime operations.

2. We note considerable related information in your comprehensive GR-67, Evasion Geography of Fourteen Selected Areas [redacted] February 1955. However, the purpose of GR-67 was to select Safe Areas for wartime E&A, whereas this request is for intelligence to assist peacetime exfiltration of the 25X1C [redacted]

3. The report should be classified SECRET/NOFORN and will have very restricted distribution. We will be glad to assist in the reproduction if you desire. Any maps and photography essential to supplementing the text may be cut to three sets.

4. This intelligence is also of immediate interest and will be made available to [redacted] 25X1A

5. Because of the urgency of this request, it is [illegible] the report be completed by 1 October 1959.

6. [redacted] I am passing this request to you for action. If you cannot handle it on a timely basis, please let me know and I will attempt to make other arrangements. 25X1A
